

The "people of Union Carbide" include the men and women who operate the Torrance plant of Carbide and Carbon Chemicals Company.

A pound of fuel to light Chicago

THAT'S ALL THE URANIUM needed to produce atomic power equal to the energy in 3 million pounds of coal. It could light Chicago for a full day!

ATOMIC RESEARCH is focused on developing an economical way to produce electricity from atomic energy. Scientists at Oak Ridge National Laboratory, which Union Carbide Nuclear Company operates for the Atomic Energy Commission, have already built experimental power producing reactors that are serving as a guide to commercial atom power plants.

PEACEFUL USES for the atom have also been found in the diagnosis and treatment of disease. Radioactivity is uncovering important facts about plant and animal growth. Industry uses the atom's radiation to control

production processes, to test product quality, and for research.

THE CHALLENGING FIELD of atomic energy is not new to the people of Union Carbide. They have been pioneering in every phase of this exciting business—from the mining of uranium ore to harnessing the atom for our future comfort and well-being.

STUDENTS AND STUDENT ADVISORS: Learn more about career opportunities with Union Carbide in ALLOYS, CARBONS, CHEMICALS, GASES, and PLASTICS. Write for "Products and Processes" booklet E2.

Don and Jon's Liquor Plans

Donald Hauser and John H. Patratz have announced the formal opening of Don and Jon's Liquor, at 23739 Arlington Ave., will be staged next Saturday in a day-long affair.

The two stated that "it is our aim to bring to the residents of the Torrance-Lomita area the finest in liquors and wines and the best of service." They also emphasized that the new store will have the finest and most modern fixtures, equipment and refrigeration.

An innovation in the liquor business here will be the Music City Record Rack. Each week the top 10 tunes, as determined at Music City's Hollywood store, will be available for Don and Jon's customers at the rack.

Hauser is a local resident, living at 169 Paseo De Las Delicias. Patratz resides at 3522 W. 78th Pl., Inglewood.

Attends Conference
 Carl O. Easza, 16807 Glenburn Ave., has been attending a three-day insurance conference in Santa Barbara this week, according to officials for the New York Life Insurance Co.
